

K-LOVE is a station that serves me as a local resident.

It serves me by providing a viable alternative to the message of virtually all other radio stations. The message of K-LOVE is one of love and encouragement. A message not provided by other radio stations.

K-LOVE provides a service to me and my community and, as such, I believe that K-LOVE provides a service that is in the public interest.

I believe that the expansion of LPFM stations would force stations such as K-LOVE off the air and would be a detriment to the public interest.

Please do not expand the LPFM stations such that stations like K-LOVE would be forced off the air.

Thank you.
